

Complete Jackson 100 Weekend Information

PLEASE READ THIS ENTIRE DOCUMENT AS MOST QUESTIONS CAN BE ANSWERED HERE.

Thursday, September 23, 2021 - Indiana Icebreaker Continuation

Friday, September 24, 2021 - Bowman 50 for IPLMS + Complete Show for LOLMDS

Saturday, September 25, 2021 - 42nd Annual Jackson 100

CAMPING:

Campers can enter starting at **5pm on Tuesday, September 21, 2021**

Camping is free and is primitive camping only (No Hook Ups). **ABSOLUTELY NO FIRES ON THE GROUND..** Campfires must be in an above ground container. We ask you please do not take any more room than absolutely necessary for camping.

SEAT MARKING:

Absolutely no tape on bleachers. Seat marking will begin at official gate opening each day of event. Seat markings must be removed each night. If you do not remove your seat markings, they will be removed prior to gate opening each day.

The top 7 rows under the covered grandstand and the top 4 rows outside the covered is reserved. Everything else is general admission. Basically, if the seat has a number on it, it is reserved.

We do understand the concern for those that had reserve seating for the Indiana Icebreaker in sections I & J where there are no longer bleachers. Our plan is to bring in a set of mobile bleachers to ensure those who had reserve seats in those sections are accommodated.

INDIANA ICEBREAKER RAINCHECKS:

Your wristband for the Indiana Icebreaker ran back in March is **ONLY** good for Thursday night's show. If you do not have your wristband, you will be required to purchase a new ticket. Email barcodes are no longer valid as when you came in originally you were given a wristband once your ticket was scanned. Since that ticket was scanned in March, it can no longer be scanned. You will be given a new wristband to exchange out the wristband you have been holding on to.

THURSDAY, SEPTEMBER 23, 2021 - Indiana Icebreaker Continuation

Note: We will be starting with 2 laps down in the 1st Late Model B-Main. There are 2 total Late Model B-Mains, 1 Modified B-Main, 2 Pure Stock Heats, and 3 total features remaining to be ran.
