****If you do not have your car registered by the time the draw closes at the scheduled time, you will automatically start the tail of a heat. Calling/texting track staff to see if they will draw for you is not an option. If you are going to be late, make sure you have a designated person that is there register your car prior to the close of driver registration. This includes \$5 transponder rental fee and driver's license to be held until end of night when transponder is turned in.****

****Save time at driver registration by having your 1099 filled out and ready to be turned in. This form can be found on our website www.brownstowns Speedway.com**

As always, stay up to date at our website www.brownstowns Speedway.com and on our Facebook page.
